Fund Sub-Advisor

Barrow, Hanley, Mewhinney & Strauss, Inc. (BHMS) was founded in 1979 as a registered investment advisor, and has provided investment advisory services to institutional and individual investors since that time. BHMS is a subsidiary of BrightSphere Investment Group, a publicly-held company traded on the New York Stock Exchange.

Objective

The investment objective of this Fund is to generate a high level of current income.

Strategy

- The Fund normally invests at least 80% of its total assets in a diversified portfolio of high yield fixed income securities. These include corporate bonds, convertible securities and preferred securities.
- The Investment Manager will generally purchase securities for the Fund that are not investment grade, meaning securities with a rating of “BB” or lower as rated by Standard & Poor’s or a comparable rating by another nationally recognized rating agency. If the Investment Manager determines a non-rated security is comparable to a similar rated security, the Fund may invest in the non-rated security.

Fund Risk

The Fund invests in debt instruments which increase and decrease based on the prevailing interest rate movement, therefore the debt instruments will decline in value if the interest rates increase. There is also risk that the issuer will default and not make payments when due, resulting in a quality decline, and decline in value. High Yield Bonds are generally higher risk (below investment-grade issues) than the more conservative investment-grade issues, and the fund may invest in bonds that have not been rated. The fund may also invest in mortgage-back securities, which are subject to prepayment, and the risk that borrowers may default on their loans.

PLEASE SEE THE FUND PROSPECTUS FOR A COMPLETE EXPLANATION OF THE RISKS INVOLVED WITH EACH FUND. Risk chart is for illustrative purposes only.

Past performance does not guarantee future results. The performance data quoted represents past performance and current returns may be lower or higher. The investment return and principal value will fluctuate so that an investor’s shares, when redeemed, may be worth more or less than the original cost. To obtain performance information current to the most recent month-end, please call the Fund at 800.846.7526.

BEFORE INVESTING, CAREFULLY CONSIDER THE FUND’S INVESTMENT OBJECTIVES, RISKS, CHARGES, AND EXPENSES OF THE INVESTMENT COMPANY. A PROSPECTUS IS AVAILABLE FROM THE FUND BY CALLING 800.846.7526, VISITING MF.TIMOTHYPLAN.COM, OR YOUR FINANCIAL PROFESSIONAL THAT CONTAINS THIS AND OTHER MORE COMPLETE, IMPORTANT INFORMATION. PLEASE READ IT CAREFULLY BEFORE INVESTING OR SENDING MONEY.

Because the Timothy Plan Funds do not invest in excluded securities, the Funds may be riskier than other funds that invest in a broader array of securities. There are risks when a fund limits its investments to particular sized companies, and all companies are subject to market risk.

Investing involves risk, including the potential loss of principal. 5 A bond rating is a grade given to bonds that indicates their credit quality. Bond ratings are expressed as letters ranging from “AAA”, which is the highest grade, down through “D”, which is the lowest grade and indicates the bond is in default. Different rating services use the same letter grades, but use various combinations of upper- and lower-case letters and modifiers to differentiate themselves.
